

Provider Directory

This directory is current as of October 1, 2017. This directory provides a list of Kaiser Permanente Medicare Advantage's current network providers.

This directory is for our Mid-Atlantic States service area, which includes the following counties: District of Columbia; Maryland: The City of Baltimore, and the counties of Anne Arundel, Baltimore, Harford, Howard, Montgomery, and Prince George's.

To access Kaiser Permanente Medicare Advantage's online provider directory, you can visit kp.org/directory. For any questions about the information contained in this directory (hardcopy or online), please call our Member Services Department at **1-888-777-5536**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal. The provider network may change at any time. You will receive notice when necessary.

This document is available in a different format for the visually impaired by calling our Member Services Department at the number listed above.

SECTION 1

Introduction

This directory provides a list of Kaiser Permanente Medicare Advantage's network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

Use this directory to learn about selecting your Primary Care Providers. This directory will also explain which specialty care services require a referral, how to get a referral, and where to go for urgent care and emergency care.

Your provider network includes physicians in the Mid-Atlantic Permanente Medical Group, P.C. who practice in Kaiser Permanente medical centers. Your network also includes contracted providers who do not practice in Kaiser Permanente medical centers.

Your primary care provider

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

Establishing a relationship with your physician ensures that you get consistent, personalized care. Adults should select a PCP who specializes in internal medicine or family practice. You may also choose a family practitioner to care for your entire family. Women up to age 75 will choose a personal obstetrician/gynecologist (Ob/Gyn) in addition to their PCP.

Choosing or changing your doctor

Choose or change your doctor by calling us at **1-888-777-5536 (TTY 711)**, seven days a week, 8 a.m. to 8 p.m. or by visiting **kp.org/doctor**. Read about our doctors on **kp.org/doctor**, including where they went to school, what specialty training they've had, and what other languages they speak. You can change your doctor at any time, for any reason.

Getting covered care

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out of network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

The "network providers" listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory, however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Referrals for specialty care

Some services may require a referral. If your PCP decides that you require services from other providers, you will usually be referred to an in-network specialist. Should you require services not available in-network, you must be referred to an out-of-network provider in the community for that service.

You must have an authorized referral for specialty care for us to cover the services and/or supplies provided. If you don't have an authorized referral before you receive services, neither Medicare nor Kaiser Permanente will be responsible for the costs.

Receiving services from out-of-network providers will be authorized only if the services are not available in-network. If a referral to an out-of-network provider is authorized, you pay only the cost share you would have paid if an in-network provider had rendered the service and/or supplies.

Self Referrals

You don't need a referral from your PCP for the following specialties. Just call **1-888-777-5536 (TTY 711)**, seven days a week, 8 a.m. to 8 p.m. for an appointment.

- Obstetrics/gynecology
- Optometry
- Behavioral health
- Dental
- Vision

For other types of specialty care, your doctor will refer you.

When a non-network provider sends you a bill

There may also be times when you get a bill from a provider for the full cost of medical care you have received. If that happens, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. Bills can be sent to

Kaiser Permanente Claims Administration
P.O. Box 371860
Denver, CO 80237-9998

Emergency Care

You are covered for emergency care. **If you think you are experiencing an emergency, immediately call 911 or go to the nearest emergency facility.** Emergency care can always be obtained in or out of the service area from the nearest available provider.

If you are unsure if your medical problem requires an emergency visit, call **1-800-777-7904 (TTY 711)**. Specially trained nurses are available 24 hours a day, seven days a week, and will direct you to the most appropriate place to receive care.

After the emergency is over, it is important that you notify us by calling the Medical Advice line so that we can be involved in the coordination of your follow-up health care. You can reach the Medical Advice line toll free at **1-800-777-7904 (TTY 711)**, 24-hours a day, seven days a week.

What is an emergency?

A “medical emergency” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Post-stabilization care

Post-stabilization care is medically necessary services related to your emergency medical condition that you receive after your treating physician determines that your condition is clinically stable. Your follow-up post-stabilization care will be covered according to Medicare guidelines. In general, if your emergency care is provided by out-of-network providers, we will try to arrange for in-network providers to take over your care as soon as your medical condition and circumstances allow. Refer to your *Evidence of Coverage* for more information.

Urgent care

Urgently needed care is medical care you need right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.

Inside our service area

When in our service area you must use in-network providers for urgent care, except in unusual and extraordinary circumstances, such as if our providers are temporarily not available or inaccessible (such as major disaster, epidemic, war, and riot).

If you require urgent care during normal office hours, call the appointment and advice line. The nurse or representative will find the best location for you to receive the care you need. If your PCP is not located in a Kaiser Permanente medical center, we might ask you to call your physician's office directly.

Outside our service area

If you need urgent care while outside of the service area, we cover medically necessary services from an out-of-network provider. You must be temporarily outside our service area and you must reasonably believe that your health would seriously deteriorate if you delayed treatment until you returned to our service area. In addition, when out of the service area, you can obtain dialysis treatment from a Medicare-certified dialysis facility. See your *Evidence of Coverage* for details.

What is the service area for Kaiser Permanente Medicare Advantage?

The counties in our service area are listed below.

District of Columbia

Maryland: Baltimore City; Anne Arundel, Baltimore, Harford, Howard, Montgomery, and Prince George's counties.

How do you find Kaiser Permanente Medicare Advantage providers in your area?

We have made it easy to locate the physicians of your choice by organizing the directory into sections.

- Kaiser Permanente's primary care providers and obstetricians/gynecologists are listed by state, county, medical center, and provider name and address.
- Specialists are listed by specialty, state, county, and provider name and address.
- There is an alphabetical index of providers at the back of this directory.

If you have questions about Kaiser Permanente Medicare Advantage or require assistance in selecting a PCP, please call our Member Services Department at **1-888-777-5536**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**. Or, visit **kp.org**.

Hospitals

If your condition requires that you be hospitalized, your primary care provider will coordinate your referral and care at the hospital.

Hospitals

The hospitals listed in **bold**, which are our premier hospitals* (kp.org/premierhospitals), have Permanente providers available 24 hours a day, seven days a week. Our Permanente providers will provide medical and surgical care for admitted Kaiser Permanente members and coordinate care with the member's primary care provider.
